

## 2nd Grade

David Dunn

Second grade I said I loved her  
She said she liked my trapper keeper  
That's how I knew I had to have her  
Don't think I ever got her name tho  
I told my parents that I loved her  
And she would be my girl forever  
They laughed at me and said you'd better  
Hold off on sayin' it's forever

I got my head right spinning like  
I can't stop thinking 'bout her everynight  
And I just can't seem to get her off my mind  
When my world fell apart it took an hour to fix  
Love feels stronger when you're only a kid  
I said I loved her, I said I loved her  
It was only second grade I swore I loved her  
Oh bless my heart, bless my heart

17 I said I loved her  
I sent a text to her number  
Her flip phone was a Razor  
That's how I knew it was forever  
I told her daddy that I loved her  
I guess I coulda said it better  
He looked at me and said you never  
Ya never ever gonna get her

I got my head right spinning like  
I can't stop thinking 'bout her everynight  
And I just can't seem to get her off my mind  
When my world fell apart it took a weekend to fix  
Love feels stronger when you're only a kid  
I said I loved her, I said I loved her  
I was only seventeen I swore I loved her  
Oh bless my heart, bless my heart

I don't know why  
I lose my mind  
Everytime  
No no

32 I said I loved her  
Sweatpants and a t-shirt  
I loved everything about her  
I put a rock up on her finger  
Told her parents that I loved her  
Wasn't gonna live without her  
Gonna work it out together  
Gonna make it last forever ever
