Have Everything

David Dunn

First time I met You
I was on my knees
Praying Lord if You're out there
Can You speak to me

'Cause I was in a desperate place
My life looked like a hurricane
That moment I felt Your grace
So...

You can have me You can have everything
Oh I am Yours
Not holding on onto anything
But Your promise Lord
It's a new day it's a new dawn
I found a place where I belong
Nothing I want more then what You've given me
So You can have everything

Oh You can have everything

You are like the sunshine
In the dead of night
You're the only one standing
when my world ignites
So why would I hold anything back
'cause You keep my world intact
It's true
Oh God it's true

You can have me You can have everything
Oh I am Yours
Not holding on onto anything
But Your promise Lord
It's a new day it's a new dawn
I found a place where I belong
Nothing I want more then what You've given me
So You can have everything

Oh You can have everything

Every day
I'm gonna wake up
Gonna wake up
Wake up and say
You can have me, have everything
