

Nothing Left

David Dunn

I can feel it
In my chest
The water rising
All around me
With every breath

I can't sink
I could swim
I can't die
I could win

I am defenseless

I can't sink
I could swim
I can't die
I could win

I'm gonna love you
Even when it hurts me
Till I'm empty
Till there's nothing left

I'm gonna love you
Even when you hate me
Till I'm crazy
Till there's nothing left
Till there's nothing left
Till there's nothing left
Till there's nothing left

You can spit
In my face
Put me into the
Darkest pits
And open flame

Bruise my body with words
Turn my love into hurt

I am defenseless

Bruise my body with words
Turn my love into hurt

I'm gonna love you
Even when it hurts me
Till I'm empty
Till there's nothing left

I'm gonna love you
Even when you hate me
Till I'm crazy
Till there's nothing left
Till there's nothing left
Till there's nothing left
Till there's nothing left

I can see
That love is just a risky thing
It's getting harder

I can see
That love is just a risky thing
Oh but it's worth it

When you love somebody
There's a chance that they could ruin you
When you love somebody
There's a chance that you won't make it through
When you love somebody
There's a chance that they could ruin you
When you love somebody
When you love somebody

I'm gonna love you
Even when it hurts me
Till I'm empty
Till there's nothing left

I'm gonna love you
Even when you hate me
Till I'm crazy
Till there's nothing left
Till there's nothing left
Till there's nothing left
Till there's nothing left
