Ode

David Dunn

Ode to the one who knows who
I can turn into at any time
He delights in shining the sunshine
Into the places I wanna keep dark

And no one knows me like Him
No one knows me like Him
No one knows me like You

He loves me more than I can tell you
You should see what He's done with me
Hey, hey hey hey, He has made me new
Woah oh oh oh oh ooooh oh
Oh the strength I can handle anything
In Jesus's name you should see the change
Hey, hey hey hey, He has made me new

Ode to the one who's night through
Making my heart new, making me clean
He delights when I choose His side
Over my own side, over myself

No one knows me like Him
No one knows me like Him
No one knows me like You

He loves me more than I can tell you
You should see what He's done with me
Hey, hey hey hey, He has made me new
Woah oh oh oh oh ooooh oh
Oh the strength I can handle anything
In Jesus's name you should see the change
Hey, hey hey hey, He has made me new

Oh how amazing is our God's saving grace
And oh how amazing is our God
And how many times have I fallen on my face
But still He loves me

He loves me more than I can tell you
You should see what He's done with me
Hey, hey hey hey, He has made me new
Woah oh oh oh oh ooooh oh
Oh the strength I can handle anything
In Jesus's name you should see the change
Hey, hey hey hey, He has made me new
