

# Rushing

David Dunn

It's all a delusion  
The doubt and confusion  
All the worry about things that we can't control and what we don't know, yeah  
Fear is nothing but smoke and mirrors  
A slight of hand and a hooded figure  
Face down on the pavement  
Oh God, I can't take it

Peace is like a rushing river  
One step in I'm going under  
Sink or swim, under my skin  
I'm just so scared here in the water  
Oh, enough is enough is enough  
I'm giving up, giving up, giving up  
Peace is like a rushing river  
Rushing into my soul  
Rushing into my soul

I'm kinda neurotic  
The future is chaotic  
Gotta stop playing games and give up the claim I have any power  
I can't keep my own heart beat beating  
I can't keep my own head from thinking  
Face down on the pavement  
Oh God, I can't take it

Peace is like a rushing river  
One step in I'm going under  
Sink or swim, under my skin  
I'm just so scared here in the water  
Oh, enough is enough is enough  
I'm giving up, giving up, giving up  
Peace is like a rushing river  
Rushing into my soul  
Rushing into my soul  
Rushing into my soul

Peace is like a rushing river  
One step in I'm going under  
Sink or swim, under my skin  
I'm feeling uncontrolled for wonder  
Oh, enough is enough is enough  
I'm giving up, giving up, giving up  
Peace is like a rushing river  
Rushing into my soul  
Rushing into my soul  
Rushing into my soul
