

# Ship Go Down

David Dunn

It's not about a sinner  
It's not about a saint  
It's not about forgiveness  
It's about the way that things are  
It's not about hurt feelings  
It's not about the heart  
It's not about misgivings  
It's about the way that things are

It's the weapon that you're holding  
That you can't put down  
It's you taking out your vengeance  
But it's coming around  
And it's pointed back at you  
You know you're blocking your view  
And I can't, cause I won't  
No I won't let this ship go down

Go down  
Go down  
Won't let this ship go down  
Go down  
Go down  
Won't let this ship go down

It's not about resentment  
It's not about abuse  
It's not about confession  
It's about the thing that's killing you

It's the weapon that you're holding  
That you can't put down  
It's you taking out your vengeance  
But it's coming around  
And it's pointed back at you  
You know you're blocking your view  
And I can't, cause I won't  
No I won't let this ship go down

Go down  
Go down  
Won't let this ship go down  
Go down  
Go down  
Won't let this ship go down

There's a sea of open water  
Where your heart can sail  
Don't anchor to the grudge  
There's nothing for you there  
And it's gonna destroy you  
It's gonna destroy you  
If you don't know

It's the weapon that you're holding  
That you can't put down  
It's you taking out your vengeance

But it's coming around  
And it's pointed back at you  
You know you're blocking your view  
And I can't, cause I won't  
No I won't let this ship go down

Go down  
Go down  
Won't let this ship go down  
I won't let this ship go down  
Go down  
Go down  
Won't let this ship go down  
I won't let this ship go down  
Go down  
Go down  
Won't let this ship go down  
She's not going down, she's not going down  
Go down  
Go down  
Won't let this ship go down  
I won't let this ship go down...
