

# The Greatest

David Dunn

Yeah

We forgot about the context  
It's like we walkin' round with bad breath  
And everybody knows it  
But me

And we busy with our neighbors  
Or popping off to strangers  
We tell em' see ya later  
Next

You and me  
We disagree  
But it doesn't mean  
Doesn't mean  
We can't love each other

(Let's go)

Back to the basics  
Where love is invasive, yeah  
It's the greatest, it's the greatest

Back to the basics  
Where love is invasive, yeah  
It's the greatest, that's the greatest

Stop building defenses  
Start mending these fences  
And love like Jesus did  
That's the greatest

Stop building defenses  
Start mending these fences  
And love like Jesus did  
That's the greatest

So what about the real ones  
Who in and out of season  
They love without a reason  
Why

Maybe nothing makes sense no more  
Maybe we can open up locked doors  
Maybe we can be like the Lord

Listen up  
Slow down  
Take a pause  
Put your guard down  
And love each other

(Let's go)

Back to the basics  
Where love is invasive, yeah

It's the greatest, it's the greatest

Back to the basics  
Where love is invasive, yeah  
It's the greatest, that's the greatest

Stop building defenses  
Start mending these fences  
And love like Jesus did  
That's the greatest

Stop building defenses  
Start mending these fences  
And love like Jesus did  
That's the greatest
