Yes & No

David Dunn

Here I am sitting again on floor in the space of my basement
Under my breath I'm reciting the prayer
I keep on praying

Deja vu, beggin' You
On my knees, yea, it's true

God can't you see in the middle of me in between I am breaking
How can I get you to change your mind?
That's all I'm sayin'

Deja vu, beggin' You
I forget sometimes

You say yes, You-You say no
For my best, God, You'd know
Better than me, better than me
You say yes, You-You say no
For my best, God, You'd know
Better than me, better than me

What I want and what I really need, only You know the difference
Learning you do what's best for me
With every answer given

Deja vu, it's what You do
You're showing me in time

You say yes, You-You say no
For my best, God, You'd know
Better than me, better than me
You say yes, You-You say no
For my best, God, You'd know
Better than me, better than me

Giving me what I really need
To make me more like You
Less like me
Less like me
Giving me what I really need
To make me more like You
Less like me
Less like me

I forget sometimes

You say yes, You-You say no
For my best, God, You'd know
Better than me, better than me
You say yes, You-You say no
For my best, God, You'd know
Better than me, better than me
