

## Dance Little Girl

David Essex

Dance little girl yer mine now  
Dance little girl you know your fine now  
When you move you know you really do  
I never seen nobody shake it, shakin' like you ('left channel')  
(I never seen nobody body shakin' like you, aha) ('right channel')

Dance little girl of mine  
C'mon Dance little girl of mine now  
Dance little girl all a da time now

Like a ballerina I see you twirl  
With a silver gown with your golden curl  
Now, dance little girl of mine

Ah dance little girl of mine  
When I come home, to you, my darling  
When I come home, do you know, your the one  
That I love

Dance little girl of mine now  
Dance little girl you know your fine now  
When you move you know you really do  
I never seen nobody shake it, shakin' like you, aha ('right channel')  
(I never seen nobody body body shake it a like you, aha) ('left channel')

Dance little girl, aha/now  
Dance little girl, aha  
Dance little girl

Cuma cuma cuma cuma dance little girl for, me  
Where your watusi  
Cuma cuma cuma cuma dance little girl for, me  
It's getting me crazy  
Cuma cuma cuma cuma dance little girl for, me  
C'mon dance little girl
