

I Know

David Essex

I know
I know you love me
Yes you do

I know
I know you need me
And I need you

When I call you on the telephone line (ah-ah-ah-ah)
Hey you tell me that I'm doing fine

I know (I know)
I know I love ya
Yes I do

Ooh feel good (good)
When I'm around ya
Yes a rule

Like a rose needs a lapel (ah-ah-ah-ah)
Like a ring-a-ding-ding on a bell

Oh little girl
You've been a friend to me
Oh little girl
You know I'm never, gonna, set you free

I know
I know I love you
Yes I do

I know (ah)
I know you (ah) need me
I need you

Won't you give me just another try (ah-ah-ah-ah)
'Cause I wanna get yer satisfied
And I know
I know, I know
I know, I know
hoooh

hoooh

Wooh

When I call you on the telephone line
Hey you tell me that I'm doing fine

Oh little girl
You've been a friend to me
Oh little girl
You know I'm never, gonna, set yer free

I know (I know)
I know I love ya
Yes I do

Ooh I feel good
Girl when I'm around ya
Yes a rule

Won't you give me just another try (ah-ah-ah-ah)
'I wanna get ya satisfied
But I know
I know, I know
I know, I know
hoooh
I know, I know
I know, I know, I know (I know)
hoooh
I know, I know
I know, I know, I know (I know)
hoooh
Hey ring ring, ding a shing a ling ding ding
On your bell, hoooh
I know, I know
I know, I know, I know (I know)
