

Ocean Girl

David Essex

I bought this airline ticket
For an island in the sun
Two week holiday just filled with fun
But I've see this brown eyed lady
With a flower in her hair
My holiday is done
It's so unfair

Oh, ocean girl
See you diving for pearls
I love the way you twirl
Ocean girl

Oh, Jungle Jim
Say that you in love with him
Threw my coconut at his chin
Dirty Jim

Oh south sea goddess of the islands
Bet you don't notice me
I'm waving from de big palm tree

Over here babe

Oh, ocean girl
Your my beautiful pearl
I love de way you twirl
Um ocean girl

Oh south sea goddess of the island
Bet you don't notice me
I'm waving from de big palm tree
Wooo-ooh

Oh, ocean girl
Your my beautiful pearl
I love da way that you twirl
Ocean girl
