I Would Have Gone And Loved You Anyway Lyrics
by David Fonseca
It sounded just like a love affair
We wrote it in touch screens
All those things that you made me swear
You meant it though,
“You’ll make it happen. When will we go?”
But your words got lost in laughter
I let you down but you should know

We were together
Why do we always hurt the ones we love?
If only I had a chance
Yeah I would be the first to let you know
Now can you still hear me?
I would have gone and loved you anyway
Across those darkest hours
If I could only bring you back again

And I could tell there was something wrong,
You were drawing by numbers
I called you earlier but your phone was off
So while the world was waiting,
You were already miles away from home
Running as fast as you could,
I guess there was nothing no one could’ve done

We were together
Why do we always hurt the ones we love?
If only I had a chance
Yeah I would be the first to let you know
Now can you still hear me?
I would have gone and loved you anyway
Across those darkest hours
If I could only bring you back again
To be with you again
