

## On My Feet Again

David Fonseca

And then we finished up our number  
We shook hands before we ran for cover  
Yet we saw the dark side of each other  
Oh I'll be on my feet again

these thoughts, I want to put them away  
but my heart will not do as I say  
And it seems like such an endless day  
Oh I'll be on my feet again

I'm on my way  
I'm on my way to be the one that dreamt some other place  
I'm on my way there  
I'm on my way  
Believe me, I never meant to cause you pain

Oh I'll be on my feet again  
Oh you'll be on your feet again  
Oh I will be myself again
