

## Stop 4 A Minute

David Fonseca

Ah, ah! Ah, ah! Ah, ah! Ah, ah, humm  
Ah, ah! Ah, ah! Ah, ah! Ah, ah, humm  
Ah, ah! Ah, ah! Ah, ah! Ah, ah, humm  
Ah, ah! Ah, ah! Ah, ah! Ah, ah, humm

Turn it up, burn it up, falling down the straight line  
I see a sin growin' in, heading to a decline  
Now where from, how come I got stuck in a hole  
I won't quit, won't close, just got out of control  
Now I need to stop for...

Now I need to stop for a minute  
I think that I've been lost here before  
I think I need to stop for a minute  
Yeah I see footprints coming out from the floor  
Ohh, ohh, ohh, ohh, ohh...  
Ohh, ohh, ohh, ohh, ohh...

Ah, ah! Ah, ah! Ah, ah! Ah, ah, humm  
Ah, ah! Ah, ah! Ah, ah! Ah, ah, humm

I had you close, had you most than ever before  
I ate dirt, till it hurt so you could love me more  
I told lies, I disguised all of my inner thieves, yeah  
And now I'm stuck in this track, like a common disease  
Now I need to stop for...

Now I need to stop for a minute  
I think that I've been lost here before  
I think I need to stop for a minute  
Yeah I see footprints coming out from the floor  
Ohh, ohh, ohh, ohh, ohh...  
Ohh, ohh, ohh, ohh, ohh...

I think I need to stop for a minute  
Ohh, ohh, ohh, ohh, ohh...  
Ohh, ohh, ohh, ohh, ohh...

I think I need to stop for a minute,  
I think I need to stop for...

I think I need to stop for...

Turn it up, burn it up, falling down the straight line  
I see a sin growin' in, heading to a decline  
Now where from, how come I got stuck in a hole  
I won't quit, won't close, just got out of control  
Now I need to stop for...

Now I need to stop for a minute  
I think that I've been lost here before  
I think I need to stop for a minute  
Yeah I see footprints coming out from the floor  
Ohh, ohh, ohh, ohh, ohh...  
Ohh, ohh, ohh, ohh, ohh...

I think I need to stop for a minute

Ohh, ohh, ohh, ohh, ohh...  
Ohh, ohh, ohh, ohh, ohh...

I think I need to stop for a minute,  
I think I need to stop for...

I think I need to stop for a minute,  
I think I need to stop for a minute,  
I think I need to stop for a minute,  
I think I need to stop for a minute.
