

# Walk Away When You're Winning

David Fonseca

You walk slow  
You walk around like a hound on a leash so  
Got no control  
Then makes you sick, makes you sick to the stomach, so

So many roads for you to go, go  
I think it's time for you to know, know  
I'm just asking you to stay,  
Walk away,  
Walk away,  
Walk away,  
Walk away, when you're winning

I'll be, I'll be the one that holds you, I'll be the  
One who loves you when you break,  
And when you break  
I'll take you there, I promise that tomorrow we will be  
Younger than today  
Only then we'll sail away, oh  
Only then we'll walk away, oh, oh

You take a stroll  
You're joining dots and solving the puzzles and  
But then it snows  
You lose the tracks that they told you to follow, so

So many roads for you to go, go  
There's still so much for you to know, know  
I'm just asking you to stay,  
Walk away,  
Walk away,  
Walk away,

Walk away, when you're winning

Don't waste, waste your time with roses, no podiums at  
The end of this race, end of this race  
The sun goes down, the chequer flag is burning, the  
Bride is throwing her bouquet  
I'll be the one, I'll be the one that holds you, I'll  
Be the one that loves you when you break,  
And when you break  
I'll take you there, I promise that tomorrow we will be  
Younger than today, just see  
And only then we'll sail away  
Only then we'll walk away  
And we'll pray and we'll dance under the waves  
We'll be brave, we'll be saved, lost forever, oh no, oh  
No

There's just so much for you to know, know  
So many roads for you to go, go  
I'm just asking you to stay,  
Walk away,  
Walk away...  
Walk when you're winning...

Go, oh... when you're winning  
Go, oh... why don't you walk when you're winning, when  
You're winning
