

# The Bodyguard Medley

David Foster

Any Whitney Houston fans out there tonight?  
Oh wow, look at the whole field!  
Ah man, I love this so much too  
I've got to say, this never gets old  
Singing the songs that we do  
Never gets old  
Let's do it

Share my life, take me for what I am  
'Cause I'll never change all my colours for you

I don't really need to look very much further  
I don't wanna have to go where you won't follow  
I won't hold it back again, this passion inside  
Can't run from myself. There's nowhere to hide

Your love I'll remember forever!

Don't make me close one more door  
I don't wanna hurt anymore  
Stay in my arms if you dare  
Must I imagine you there  
Don't walk away from me  
I have nothing, nothing, nothing

Don't make me close one more door  
I don't wanna hurt anymore  
Stay in my arms if you dare  
Must I imagine you there  
Don't walk away from me, no  
Don't walk away from me, baby  
Don't you dare walk away from me

I have nothing, nothing, nothing

If I don't have you

I wanna run to you (oooh)  
I wanna run to you (oooh)  
Won't you hold me in your arms  
And keep me safe from harm  
I wanna run to you (oooh)  
But if I come to you (oooh)  
Tell me, will you stay or will you run away?

So much love in this world tonight  
And it's all for you dear  
We love you darling

And I... will always love you (oooh)  
I will, will always love you (oooh)

I hope life treats you kind  
And I hope you have all you've dreamed of  
And I wish you joy and happiness  
But above all this, I wish you love

And I... will always love you (oooh)  
I will always love you (oooh)  
I will always love you (oooh)

I will always love you (oooh)  
I will always love you (oooh)  
I, I will always love you

Darling I love you  
I'll always  
I'll always love you
