

## Dear World

David Gates

All I want's a better life  
Than I have known 'til now  
All I need's to get ahead  
If only I knew how  
What I have is a dream or two  
And the hope that they might come true  
But am I waitin' hopelessly  
That's why I've turned to you...and

Dear world, what are my chances, oh tell me  
Tell me what my chances are  
Should I keep on tryin'  
And hear me, there's nobody else that can hear me  
So won't you please answer my prayer  
Won't somebody care...

Don't want to hide when someone's comin'  
Afraid they might do me harm
