

On An Island

David Gilmour

Em Em Em Em

Emi Ami

Remember that night...

Cmaj7 Bmi B Emi

White steps in the moonlight

Ami

They walked it too...

Cmaj7 Bmi B Emi

Through empty playground, this ghost's town

Ami Cmaj7 Bmi B Emi

Children again on rusting swings getting higher

Ami

Sharing a dream

Cmaj7 Bmi B

On an Island.... it felt right

Emi Bmi

We lay side by side,

Dmi Ami

Between the moon and the tide

Cmi Gmi A

Mapping the stars for a while

G A Emi

Let the night surround you

G A Emi

We're half way to the stars,

G A

Ebb and flow

G A G A Emi

Let it go, feel her warmth beside you

Emi Ami

Remember that night,

Cmaj7 Bmi B Emi

The warmth and the laughter

Ami

Candles burn...

Cmaj7 Bmi B Emi

Though the church was deserted

Ami Cmaj7 BmiB Emi

At dawn we went down through empty streets to the harbour

Ami Cmaj7 Bmi B

Dreamers may leave, but they're here everafter...

Emi Bmi Dmi Ami Cmi Gmi A

Da da da da....

G A Emi

Let the night surround you

G A Emi

We're half way to the stars,

G A

Ebb and flow

B7 A G A Emi

Let it go, feel her warmth beside you
