

No False Gods

David Gray

No false gods now
We are love's body or we are undone
No false gods now
We are love's body or we are undone

And you're damned if you do
And you're damned if you don't

No false gods now
We are love's body or we are undone

And tonight once again
For the first time
And tonight once again
For the first time
Once again
For the first time

No false gods now
We are love's body or we are undone
We are love's body or we are undone
