Standing at the door of the pink Flamingo crying in the rain, It was a kind of so-

so love and I'm gonna make sure it doesn't happen again, You and I had to be the standing joke of the year, You were a run around, a lost and found, and not for me I feel

Take your hands off me, hey,
I don't belong to you, you see,
And take a look in my face, for the last time,
I never knew you, you never knew me,
Say hello goodbye,
Say hello and wave goodbye,

We tried to make it work, you in a cocktail skirt and me in a s uit but it just wasn't me,

You're used to wearing less, and now your life's a mess, so ins ecure you see,

I put up with all the scenes, this is one scene that's going to be played my way

Say hello and wave goodbye

Under the deep red light I can see the make-up sliding down, Well hey little girl you will always make up so take off that u nbecoming frown,

As for me, well I'll find someone who's not going cheap in the sales,

A nice little housewife who'll give me a steady life and not ke ep going

off the rails,

Say hello and wave goodbye [repeat]
