

## Clap Your Hands

David Guetta

It's your party and you know it, clap your hands  
If you're happy and you know it, clap your hands  
If you feel it and you know it, clap your hands  
If you're happy and you know it, clap your hands  
It's your party and you know it, clap your hands  
If you're happy and you know it, clap your hands  
If you feel it and you know it, clap your hands  
If you're happy and you know it, clap your hands

It's your party and you know it, clap your hands  
If you're happy and you know it, clap your hands  
If you feel it and you know it, clap your hands  
If you're happy and you know it, clap your hands  
It's your party and you know it, clap your hands  
If you're happy and you know it, clap your hands (hands, hands,  
hands, hands...)  
It's your party and you know it, clap your hands (hands, hands)

It's your party and you know it, clap your hands  
If you're happy and you know it, clap your hands  
If you feel it and you know it, clap your hands  
If you're happy and you know it, clap your hands  
It's your party and you know it, clap your hands  
If you're happy and you know it, clap your hands  
If you feel it and you know it, clap your hands  
If you're happy and you know it, clap your hands

It's your party and you know it, clap your hands  
If you're happy and you know it, clap your hands (hands, hands)  
If you feel it and you know it, clap your hands  
If you're happy and you know it, clap your hands  
It's your party and you know it, clap your hands  
If you're happy and you know it, clap your hands (hands, hands,  
hands, hands...)  
It's your party and you know it, clap your hands (hands, hands)

It's your party and you know it, clap your hands (hands, hands)
