

Forever Young

David Guetta

Don't leave afraid, what's here tonight
Heaven can wait, no use in watchin' the sky
Don't say goodbye, just hold me tight
Heaven can wait, I wanna dance one more time

Give me the feelin' again
Just one more time
Don't you give me the feelin' that I'm forever young?

Forever young
I want to be forever young
Forever young
Do you really want to live forever?
Forever
Forever young

Do you really want to live forever?
Forever
Forever young

Some are like water, some are like the heat
Some are a melody and some are the beat
Sooner or later, they all will be gone
Why don't they stay young?

Dance one more time
Give me the feelin' again
Just one more time
Don't you give me the feelin' that I'm forever young?

Forever young
I want to be forever young
Forever young
Do you really want to live forever?
Forever, forever

Forever young
I want to be forever young
Forever young
Do you really want to live forever?
Forever, forever
Forever young
I want to be forever young
Forever young
Do you really want to live forever?
Forever young
