

I'm that Bitch

David Guetta

Icy, icy, icy, icy

I pull up bet you see them faces shift
Bust in looking like a couple GIF
Brrt, brrt, kill a scene, I make it quick
Brrt, brrt, hustle back, take a pic
Lookin' in your eyes, all I see is fear
But can you see me roll up in the air
Boss bitch y'all should call me jefe
I'm known from Miami back to L.A

I'm that bitch, I'm that bitch
I'm that, I'm that, I'm that
I'm that bitch, I'm that bitch
I'm that, I'm that, I'm that
I'm that bitch, I'm that bitch
I'm that, I'm that, I'm that
I'm that bitch, I'm that bitch
I'm that, I'm that, I'm that bitch!

I'm that, I'm that
I'm that bi-bi-bitch

I don't ask for forgiveness or permission
If I want it I'mma f*cking go get it
On the coupe up, all by myself no competition
Y'all be giving me but I never listen
Uh, I'm the biggest boss
Uh, I be spillin' sauce
Uh, I've got no pain, no fallin'-off
Uh, y'all niggas too soft

I'm that bitch, I'm that bitch
I'm that, I'm that, I'm that
I'm that bitch, I'm that bitch

I'm that, I'm that, I'm that
I'm that bitch, I'm that bitch
I'm that, I'm that, I'm that
I'm that bitch, I'm that bitch
I'm that, I'm that, I'm that bitch

Bitch!
I'm that, I'm that

Bitch, I'm the biggest boss
Uh, I be spillin' sauce
Uh, I've got no pain, no fallin'-off
Uh, y'all niggas too soft
Bitch, I'm the biggest boss
Uh, I be spillin' sauce
Uh, I've got no pain, no fallin'-off
Uh, y'all niggas too soft

Icy, icy, icy, icy

I'm that bitch, I'm that bitch

I'm that, I'm that, I'm that
I'm that bitch, I'm that bitch
I'm that, I'm that, I'm that
I'm that bitch, I'm that bitch
I'm that, I'm that, I'm that
