

Kill Me Slow

David Guetta

Take all you can take
Break all you can break
I take the pill with the pain
You only love me this way

You split me to pieces every time
But never enough to say goodbye
So if you gonna go
Yeah, if you gonna go
Yeah, if you gonna kill me baby
Please don't kill me
Slow, slow, slow, slow

You split me to pieces every time
But never enough to say goodbye
So if you gonna go
Yeah, if you gonna go
Yeah, if you gonna kill me baby
Please don't kill me slow

Kill me slow
Kill me slow
Kill me slow
Kill me slow
Kill me slow
So if you gonna go
Yeah, if you gonna go
Yeah, if you gonna kill me baby
Please don't kill me slow

Please don't kill me slow
Kill me slow
Kill me slow
Kill me slow
Kill me slow

Kill me slow
Kill me slow
