

# Motto

David Guetta

Ay, yuh, woop  
Mally Mall  
David Guetta  
Ay, ay, ay, ay

Uh, yeah, money don't fall  
Yeah, different day, different episode  
Yeah, kick a J, was a penny love  
Yeah, 20k in an envelope  
Yeah, Margiela with the strap  
Yeah, no shoestring, what you dreaming for  
Yeah, red lights can is she [?]  
Ay, new Vera Wang cost a [?]  
That new Cilane cost a [?]  
Walk around with my Fendi goggles  
Walk around with a young model  
Pick her up, just like a Tahoe

Fresh down till my socks though  
Ay, gettin' money like I won the lotto  
Uh, uh, yeah, our hunnids that's my motto  
I don't wanna uh, like she swallow

Bitch my motto, bitch my, bitch my motto  
Bitch my motto, bitch my, bitch my motto  
I don't wanna uh, like she swallow  
Bitch my motto, bitch my motto  
That' my  
Bitch my motto  
I don't wanna uh, like she swallow

Yih, uh, pretty girls that's my clientele  
Phone calls, my accountant tell me I did well (you did well, Gerald)  
Yeah, you don't do this much I can tell (I can tell)  
First class the parents courtesy of you YSL

Thank you [?]  
Pretty Fly, White Guy playing Offspring  
Ooh, locked down, ooh, Offspring  
Ay, with your girlfriend squeaked in a bench frames  
Yeah, red Balenciaga socks though  
Yeah, big bank is colossal  
New Ferrari coupe cars with Picasso (ay)  
I don't wanna uh, like she swallow (yeah)

Fresh down till my socks though  
Ay, gettin' money like I wanna lie though  
Uh, uh, yeah, our hunnids that's my motto  
Yeah, I don't wanna uh, like she swallow

Bitch my motto, bitch my motto  
Bitch my motto, bitch my motto  
I don't wanna uh, like she swallow  
Bitch my motto, bitch my motto  
That' my  
Bitch my motto  
I don't wanna uh, like she swallow

Fresh down till my socks though  
Ay, gettin' money like I wanna lie though  
Uh, uh, yeah, our hunnids that's my motto  
Yeah, I don't wanna uh, like she swallow

Uh, yeah, money don't fall  
Yeah, different day, different episodes  
Yeah, kick a J, was a penny love  
Yeah, I don't wanna uh, like she swallow
