## One Love

## **David Guetta**

Can anybody help me im outta plans guess I left my world in somebody's hands I don't like to hurt but, but everyone gets weak someone to rely on that's what I really need

Now here we stay, its all that were worth
I've been thru the pain and been dragged thru the dirt
whatever they tell you were bigger than words
I've been where your standing I know how it hurts
let this be a song now and this be a day and we stand together
well be okay
Because were survivors were making it work expecting the best w

One love - this is the way we found
One love - even though they'll let you down
One love -nobody's perfect now
One love -don't let that hold you down
One love - lets stick together now
One love -we got to stand our ground
One love - its easy to believe in
One love - believe in you and me
Onee loveeeeeeeee
