

# Thing For You

David Guetta

I always stay when the night is done  
You got the kind of thing I should run from  
But that's the reason why it's so fun  
I always come back

Sendin' all the wrong signals to my brain  
Sendin' all the right feelings through my veins  
I should go but I never walk away  
Always make the same mistakes, no I never change

I got a thing for you  
I got a thing for the things that I shouldn't do  
And when I'm next to you  
I get those fucked up feelings  
I do 'cause I gotta thing for you  
I got a thing for the things that I shouldn't do  
And when I'm next to you  
I get those fucked up feelings  
I do 'cause I gotta

Thing for you  
Thing for you

Help with things that I'm tryna fix  
But I think I like all my dirty habits  
Maybe I'm a little too used to it  
'Cause I always come back

Sendin' all the wrong signals to my brain  
Sendin' all the right feelings through my veins  
I should go but I never walk away  
Always make the same mistakes, no I never change

I got a thing for you  
I got a thing for the things that I shouldn't do  
And when I'm next to you  
I get those fucked up feelings  
I do 'cause I gotta thing for you  
I got a thing for the things that I shouldn't do  
And when I'm next to you  
I get those fucked up feelings  
I do 'cause I gotta

Thing for you  
Thing for you  
Thing for you  
Thing for you
