

Baywatch Theme Song

David Hasselhoff

Some people stand in the darkness
Afraid to step into the light
Some people need to help somebody
When the edge of surrender's in sight

Don't you worry
It's gonna be alright
Cause I'm always ready
I won't let you out of my sight.

I'll be ready
I'll be ready
Never you fear
No don't you fear
I'll be ready
Forever and always
I'm always here.

In us we all have the power
But sometimes it's so hard to see
And instinct is stronger than reason
It's just human nature to me

Don't you worry
It's gonna be alright
Cause I'm always ready
I won't let you out of my sight.

I'll be ready
I'll be ready
Never you fear
No don't you fear
I'll be ready
Forever and always
I'm always here.

Cause I'm always ready
I won't let you out of my sight

I'll be ready
I'll be ready
Never you fear
No don't you fear
I'll be ready
Forever and always
I'm always here.

Forever and always
I'm always here.
