David Hasselhoff

Lady you're an angel falling from the stars lady love is waiting right here in my arms lady lie beside me love me tonight two hearts found each other one love can make it right yes, two hearts are bound forever my lady, my love

Lady

Lady I'll be with you every night and day lady I was lonely now you're here to stay lady lie beside me love me tonight two hearts found each other one love can make it right yes, two heart are bound forever my lady, my love

yes, two heart are bound forever my lady, my love my lady, my love
