Lonely Is The Night

David Hasselhoff

Really tho't that I could live without you Really tho't that I could make it on my own Send you away ya I said I didn't need you I let you go, I let you go, I let you go Now I'm so lost without you Now you're not here and now I know

Lonely is the night when I'm not with you Lonely is the night and there ain't no light shining through Til you're in my arms til you're here by my side Lonely am i

Never tho't that I that I would need you Never tho't that I that I'd be missin you Gotta get you back I just got to find a way now To let you know, to let you know, to let you know That I'm so lost without you And now this world just ain't right

Lonely is the night when I'm not with you Lonely is the night and there ain't no light shining through Til you're in my arms til you're here by my side Lonely am i

I can make it through the day I can fake it okay I just smile and pretend And I tell myself it's alright But lonely is the night Lonely is the night

Lonely is the night when I'm not with you Lonely is the night and there ain't no light shining through Til you're in my arms til you're here by my side Lonely am i

Lonely is the night when I'm not with you Lonely is the night and there ain't no light shining through Til you're in my arms til you're here by my side Lonely am i...
