Forgiveness

David Hodges

Forginess I need it
I need it forgiveness

If you could look my way
If you could give me time
Say what you need to say
Don't leave me drowning in these flaws
And my mistakes

Forgiveness I need it
I need it forgiveness
Cause the heart aches
Without it
I need it forgiveness

Just give up the fight
Cause nothing's more wrong
We both know what's right
Grace is never evil...
Only you can
If only you can

Forgiveness I need it
I need it forgiveness
Cause the heart aches
Without it
I need it forgiveness

Now I'm just too broken that I ever am
Now I'm just too broken that I ever am

Only you can
Only you can

Forgiveness I need it
I need it forgiveness
Cause the heart aches
Without it
I need it forgiveness

Now I'm just too broken that I ever am
Yeah, now I'm just too broken that I ever am
