

# In My Bones

David Kushner

Baby, I feel it  
I feel it in my bones  
Baby, I feel it  
More than you'll ever know

There's something in the darkness that you hide  
There's something that you don't wanna show  
You're reaching for the light that you can't find  
Well, I'm knocking at your door

If my eyes were closed  
I could follow where you go  
Give me highs and lows  
Love me every way you know

Baby, I feel it  
I feel it in my bones  
Baby, I feel it  
More than you'll ever know  
You're just what I'm needing  
I need it in my soul  
Baby, I feel it  
I feel it in my bones

Chasing all the shadows on your skin  
Washing as they dance in the light  
Tell me are your secrets worth keeping?  
I'm hold them till the day that I die

If my eyes were closed  
I could follow where you go  
Give me highs and lows  
Love me every way you know

Baby, I feel it  
I feel it in my bones  
Baby, I feel it  
More than you'll ever know  
You're just what I'm needing  
I need it in my soul  
Baby, I feel it  
I feel it in my bones (I feel it in my bones)

Baby, baby, I feel it (I feel it in my bones)  
Baby  
I feel it in my bones
