Atomic Punk

David Lee Roth

```
I am a victim of the science age
A child of the storm
I can't remember when I was your age
For me, it says no more, no more

Nobody rules these streets at night but me, the atomic punk
Whoa yeah!

I am the ruler of these nether worlds
The underground
On every wall and place my fearsome name is heard
Just look around, look around

Nobody rules these streets at night but me
Atomic

I am the ruler of these nether worlds
The underground
On every wall and place my fearsome name is heard
Look around, look around

Nobody rules these streets at night but me, nobody, nobody
```
