

## Shoot It

David Lee Roth

Well, look at me, got me in her sights  
Is this a blessing in disguise?  
Fatality on a Saturday night, wooh  
Right between the eyes

Well, honey I know you never satisfied  
Just a pair a dice on a roll  
Gotta take the fat chance, this ain't suicide  
Sit back and let it all unfold

You better shoot it, shoot it  
C'mon baby put your best shot on me  
Shoot it, shoot it  
Girl you gotta do it for a friend in need, wow

Shoot it, shoot it  
Beggars can't be choosers in a den of thieves  
Is it good for you  
'Cause it's good for me

How's your love life, how's your sister?  
Ooh, I can't resist her  
Is this the one that gets away?  
Well, I can tell ya my friend  
That it's all how much you spend, baby  
Not how much you make

You say you don't wanna dance  
Honey listen to me  
Shut your mouth an' hit the floor  
And you can tell 'em last night  
That you was blind to see  
Or blame it all on rock'n'roll

You better shoot it, shoot it  
C'mon baby put your best shot on me  
Shoot it, shoot it  
Girl you gotta do it for a friend in need  
Better not be talkin' about me, baby

Shoot it, shoot it  
Beggars can't be choosers in a den of thieves  
Is it good for you  
It's good for me, well alright

Whoo, dressed to the nines  
Don't cry wolf too many times, baby  
But you can trust in me  
Want some good clean fun?  
Well, I heard you play with guns  
And I see you got a vacancy

You say you don't wanna dance  
Honey listen to me  
Shut your mouth and hit the floor  
And you can tell 'em last night  
That you was blind to see

And blame it all on rock'n'roll  
Ow!

Shoot it, shoot it  
C'Mon baby put your best shot on me  
I'm just a movin' target, mama  
Shoot it, shoot it  
Girl you gotta do it for a friend in need

Shoot it, shoot it  
Beggars can't be choosers in a den of thieves  
Ah, is it good for you?  
'Cause it's great for me

You pull your gun, you better shoot it, shoot it  
C'mon baby put your best shot on me  
Set 'em up, shoot 'em down  
Shoot it, shoot it  
Girl you gotta do it for a friend in need  
A friend in need, I love ya honey

Shoot it, Shoot it  
Beggars can't be choosers in a den of thieves  
A den of theives, wow  
Is it good for you?  
It's unbelievably spectacular from over here, baby
