

Shyboy

David Lee Roth

ow, oh
Ah yeah, ow

On the stage I'm in a rage
But you I never fool
Well I can rock with anyone
But never alone with you

Somethin' starts a boilin'
Now deep inside of me
I need aggressive women
To knock me off my feet

Shyboy, shyboy
Shyboy, shyboy
Shyboy, shyboy, give it one more time boy
Shyboy, shyboy
Shyboy, shyboy
Shyboy, shyboy, give it one more time boy

Ooh, you make me nervous
More than I had planned
Would you wanna know me
If I wasn't in the band?

Crazy feelings
Deep inside of me
I need a wild woman
To knock me off my feet

Shyboy, shyboy
Shyboy, shyboy
Shyboy, shyboy, give it one more time boy
Shyboy, shyboy
Shyboy, shyboy
Shyboy, shyboy, give it one more time boy

Gotta keep things moving
Till my personality starts improving

Ow, shyboy, shyboy
Shyboy, shyboy
Shyboy, shyboy, give it one more time boy
Shyboy, shyboy
Shyboy, shyboy
Shyboy, shyboy, give it one more time boy

Gotta keep things moving
Till my personality starts improving

Shyboy, shyboy
Shyboy, shyboy
Shyboy, shyboy, give it one more time boy
Shyboy, shyboy
Shyboy, shyboy
Shyboy, shyboy, give it one more time boy

Wow
