

Truly Do

David Lindley

I can tell you how I got this way
And why I'm fallin down
I'm fallin down

It's not easy but I'll tell you why
That girl is playing with this heart of mine
I know she's playing with this heart of mine

I know it's just a matter of time
You know I truly do
I truly do

A married couple if I try
It's just a matter of this heart of mine
That girl is playing with this heart of mine

The first time she broke my heart in two
And now she'll do the same to you
It might be better if you walk on by
You better walk on by

On no I think it started again

You know I truly do
I truly do

A married couple but I don't know when
It's just a matter of this heart of mine
That girl is playing with this heart of mine
I know she's playing with this heart of mine

It may be over and it may be you
It may be over in a week or two
It may be better if I walk on by
Better walk on by

I know it's just a matter of time
You know I truly do
I truly do

A married couple if I try
It's just a matter of this heart of mine
That girl is playing with this heart of mine

I know
I know
