Are You Sure (Bastille Remix)

David Lynch

Stand up and be a mountain

Power of the dream

The sea, it'll be in a living thing
River, like a hand

Jump up, and be a cloud again

Raining upon the man

Oh, are you sure?
Oh, are you sure?
Oh, are you sure?
You just might fall in line

Ooh, oh, ooh, ooh

Stand up and be a mountain

Power of the train

The Osea, it'll be in a living thing

River, like a hand

Jump up, and be a cloud again

Raining upon the man

Oh, are you sure? (are you sure)
Oh, are you sure? (are you sure)
Oh, are you sure? (are you sure)
You just might fall in line
