Are You Sure

David Lynch

```
Stand up and be a mountain
Power of the dream
The sea, it be in a living thing(?)
River, like a hand
Jump up, and be a cloud again
Raining upon the man

Chorus:
Oh, are you sure?
Oh, are you sure?
Oh, are you sure?
You just might fall in line
Power of the dream

Stand up and be a mountain
The Å¡ea, it be in a living thing(?)
River, like a hand
Jump up, and be a cloud again
Raining upon the man

Chorus:
Oh, are you sure?
Oh, are you sure?
Oh, are you sure?
You just might fall in line
