

# Heavy

David Nail

Rain falls, on a city street  
Not a soul outside, just you and me  
No destination, just wasting time  
Neither one wants to say goodbye

I don't wanna lose you now  
Gotta be someday, gotta be somehow  
Would you reconsider if I said I'd change?  
If it gets too heavy, I'll carry the weight

I know it's me, the reason why  
We've come unraveled too many times  
I don't know the answer, try anything  
To bring us back to how we used to be

I don't wanna lose you now  
Gotta be someday, gotta be somehow  
Would you reconsider if I said I'd change?  
If it gets too heavy, I'll carry the weight
