

In My Head

David Nail

No more I'm sorry I won't waste your time
I'm all out of reasons why
So tired of feeling that I've let you down
Can't help but wonder where your heart is now

I don't want pity for being this way
It ain't your problem, no you ain't to blame
Don't have the answer, no I don't understand
What's wrong in my head its just who I am

I have been labeled been misunderstood
So hard to be happy even when things are good
You are the best thing that I've ever know
Girl I won't blame you if someday you go

I don't want pity for being this way
It ain't your problem, no you ain't to blame
Don't have the answer, no I don't understand
What's wrong in my head its just who I am

I don't want pity for being this way
It ain't your problem, no you ain't to blame
Don't have the answer, no I don't understand
What's wrong in my head its just who I am

No more I'm sorry I won't waste your time
