

# White Trash Girl

David Nail

She got a few tattoos,  
With no regrets  
No rear view mirror,  
Not one to second guess  
Just searching for freedom  
Whoever she can find  
Don't care bout tomorrow,  
Tonight she'll come alives

She ain't looking for love  
No diamonds or pearls  
Just a little bit a fun  
Little white trash girl  
Anytime anything  
Oh she give it a whirl  
No secrets to keep  
For a white trash girl

He don't have a mother  
Least one who cares  
Says the bible's just paper  
In a drawer somewhere  
Can't say it ain't sinning  
Can't say it ain't right  
To be so loose lipped  
Leave nothing to surprise

She ain't looking for love  
No diamonds or pearls  
Just a little bit a fun  
Little white trash girl  
Anytime anything  
Oh she give it a whirl  
No secrets to keep  
For a white trash girl

She ain't looking for love  
No diamonds or pearls  
Just a little bit a fun  
Little white trash girl  
Anytime anything  
Oh she give it a whirl  
No secrets to keep  
For a white trash
