

## Don't Save It All For Christmas Day

David Phelps

Yeah

Don't get so busy that you miss  
Giving just a little kiss to the ones you love  
And don't even wait a little while  
To give them a little smile, 'cause a little is enough, yeah  
How many people are crying, people are dying?  
How many people are asking for love, yeah?  
Don't save it all for Christmas Day  
Find a way to give a little love every day  
Don't save it all for Christmas Day  
You gotta find your way  
'Cause holidays have come and gone  
But love lives on, if you give on  
But you gotta love, love  
And how could you wait another minute?  
A hug is warmer when you're in it, baby, that's a fact  
And saying "I love you's" always better  
Seasons, reasons, they don't matter, so don't hold back  
How many people in this world, so needful in this world?  
How many people are praying for love?  
So don't save it all for Christmas Day  
Find your way to give a little love every day  
Don't save it all for Christmas Day  
Find a way  
'Cause holidays have come and gone  
Oh, but love lives on, if you give on  
Oh, you gotta, you gotta love, love  
So let all the children know, yeah  
Everywhere that they go  
Their whole life long  
Oh, let them know love, love  
Don't save it all for Christmas Day  
You gotta find your way to give a little love every day  
Don't save it all for Christmas Day  
Find your way  
'Cause holidays have come and gone  
Oh, but love lives on, if you give on  
But you gotta, you gotta love, love  
Love lives on, if you give on  
But you gotta love, love, love, yeah  
Oh, oh
