Fall On Your Knees

David Phelps

O holy night the stars are shining
It is the night of our Savior's birth
Long lay the world in error pining
'Til he appeared and we felt worth

A thrill of hope for a weary world
For yonder breaks a glorious morn

Fall on your knees, hear the angel voices
This is the night when Christ was born
Fall on your knees
(Fall on your knees)
Fall on your knees
(Fall on your knees)

Truly He taught to love each other
His law is love and His gospel peace
Chains shall He break, the slave our brother
And in His name oppression cease (oh oh)

Sweet hymns of joy in a chorus raise

Let all within us praise

Fall on your knees, hear the angel voices
This is the night when Christ was born
Fall on your knees
(Fall on your knees)
Fall on your knees
(Fall on your knees)
Fall on your knees
(Fall on your knees)
Fall on your knees
(Fall on your knees)

(Fall on your knees)
Fall on your knees
(Fall on your knees)
Fall on your knees
(Fall on your knees)
O Holy night, o night divine
(Fall on your knees)
Fall on your knees

Christ was born and the stars did shine
O Holy night, o night divine
