

I Want to Know What Love Is

David Phelps

I gotta take a little time,
A little time to think things over
I better read between the lines,
In case I need it when I'm older
Now this mountain I must climb,
Feels like the world upon my shoulders
Through the clouds I see love shine,
It keeps me warm as life grows colder
In my life
There's been heartache and pain
I don't know
If I can face it again
Can't stop now,
I've travelled so far,
To change this lonely life
I wanna know what love is,
I want you to show me
I wanna feel what love is,
I know you can show me
I'm gonna take a little time,
A little time to look around me
I've got nowhere left to hide,
It looks like love
Has finally found me
In my life
There's been heartache and pain
I don't know
If I can face it again
Can't stop now,
I've travelled so far,
To change this lonely life
I wanna to know what love is,
I want you to show me
I wanna feel what love is,
I know you can show me
I wanna know, I need to know
I wanna know
I wanna know what love is,
I want you to show me
I need to feel
I wanna feel what love is
I know you can show me
I wanna know what love is,
I want you to show me
I wanna feel what love is
I know you can show me
I wanna know
