

Put 'Em Up Solid

David Rawlings

Through each wicked claim that men can make
Yeah they, that men can make
Through each wicked claim that men can make
Oh, oh, they won't come down

Put 'em up solid
They won't come down
Yeah they, they won't come down
Put 'em up solid
They won't come down
Oh, oh, they won't come down

Though the seas may rise, the four strong winds
Yeah they, the four strong winds
Though the seas may rise, the four strong winds
Oh, oh they won't come down

Put 'em up solid
They won't come down
Yeah they, they won't come down
Put 'em up solid
They won't come down
Oh, oh, they won't come down

So work hard, babe, when you're young
Yeah, babe, when you're young
So work hard, babe, and when you're done
Oh, oh they won't come down

Put 'em up solid
They won't come down
Yeah they, they won't come down
Put 'em up solid
They won't come down
Oh, oh
