

## The Last Pharaoh

David Rawlings

I'm looking for the last, the last pharaoh  
When night falls on the land  
I'm looking for the last, the last pharaoh  
I'm gonna lay him down if I can

I thought I heard that big, that big Kate Adams  
I thought I heard a whistle blow  
I thought I heard that big, that big Kate Adams  
Puffing down to Mexico

I'm looking for the last, the last pharaoh  
When night falls on the land  
I'm looking for the last, the last pharaoh  
I'm gonna lay him down if I can

I don't need a chicken, a chicken in the pot  
Or a woman in my own back yard  
I don't need a chicken, chicken, chicken in the pot  
The way I need the next high card

I'm looking for the last, the last pharaoh  
When night falls on the land  
I'm looking for the last, the last pharaoh  
And I'm gonna lay him down if I can  
Yes, I am

Lady luck makes the kings, the Natchez kings  
The kings of Natchez and below  
She makes the kings of Natchez and below  
And lady luck's with me, I know

So I'm looking for the last, the last pharaoh  
When night falls on the land  
I'm looking for the last, the last pharaoh  
And I'm gonna lay him down yes I am
