

# I'll Be Your Man

David Shaw

Hey ma ma  
Hey baby  
It's always just been you and me  
Easy as a breeze can be  
Underneath this lemon tree  
Spent a long time runnin'  
Long time comin'  
Good Lord, I'm a fool for you  
Now ain't that something  
I got all your loving  
Crazy what two hearts can do

I'll be your man  
Your rock, your solid ground  
I'll take your hand  
When the world comes crashing down  
Together we'll be wild and free  
Forever is our destiny  
I'll be your man  
You can put your put your put your money on me  
You can put it on me

Hey ma ma  
Hey baby  
This is all I'll ever need  
Smooth like sailing's s'posed to be  
Sweet like summer tangerines  
Spent a long time runnin'  
Long time comin'  
Good Lord, I was down and out  
But ain't that something  
I got all your loving  
Crazy how it all works out

I'll be your man  
Your rock your solid ground  
I'll hold your hand  
When the world comes crashing down  
Together we'll be wild and free  
Forever is our destiny  
I'll be your man  
You can put your put your put your money on me  
You can put your put your put your money on me  
You can put your put your put your money on me  
Yeah, put it on me now  
Put it on me

I'll be your man  
Your rock, your solid ground  
I'll hold your hand when the world comes crashing down  
Together we'll be wild and free  
Forever is our destiny  
I'll be your man  
You can put your put your put your money on me  
You can put your put your put your money on me  
You can put your put your put your money on me  
Just put it on me

Put it on me  
Put it on me
