

Soulfight

David Shaw

Isn't anybody home in here?
It's getting cold and I just don't care, so I'm
Gonna find something else to do, uh-huh
Just take a really good look at me
I'm twenty-two and I still don't see why
All of you people can't get along anymore
'Cause fallin' down ain't so hard to do
Your only crutch be the bottle of brew
So I'm gon' find somethin' else to do, uh-huh

'Cause if I ever was to say to you
All of the things that you wanted me to, love
I'd have to find somethin' else to do, uh-huh

So I'm gon' stand here by your fire
'Cause it's a cold one tonight
I'm takin' care of soulfight
And you're the reason why
I don't ask questions and I don't tell no lies
And that's the reason why
I'm takin' care of soulfight
You're the reason why

Oh my god, I almost died last night
Wrecked my car, then I totaled my life
So I'm gon' find something else to do, uh-huh

'Cause if I ever was to say to you
All the things that you wanted me to, love
I'd have to find something else to do, uh-huh

So I'm gon' stand here by your fire
'Cause it's a cold one tonight
I'm takin' care of soulfight
And you're the reason why
I don't ask questions and I don't tell no lies
And that's the reason why I'm taking care of soulfight
You're the reason why
You're the reason why
You're the reason why
Oh, you're the reason why
Oh-huh-huh

So Mother Mary, won't you come sing a song for me
And make it last all damn night
'Cause you know I can't hang on, you see
While this noose pulls me so tight
Well I would scratch and bleed from my fingernails
'Til every bit of me was gone
'Cause I didn't want it and I didn't need it
So now I leave it alone

So I'm gon' stand here by your fire
'Cause it's a cold one tonight
I'm takin' care of soulfight
And you're the reason why
I don't ask questions and I don't tell no lies

And that's the reason why
I'm takin' care of soulfight
And you're the reason why
You're the reason why
You're the reason why
Oh, you're the reason why
