

Without You

David Sneddon

Looking out over the ocean
And I'm wondering why it is blue
And the only reason can be...
Cause I'm without you.
Standing alone on the shore
And I'm crying out for more
And the only reason can be...
Cause I'm without you

So stand in silence
Hold me tight
Stand in silence
Tonight

And now I have to know
Just before
I go-oh-oh...
Oh-oo-oo, baby...
And will you still think of me over the largest sea now I'm without you??

Crying out into the night
And I'm trying to put all the things right
And the only reason can be...
Cause I'm without you

So stand in silence
Hold me tight
Stand in silence
Tonight

And now I have to know
Just before
I go-oh-oh...
Oh-oo-oo, baby...
And will you still think of me over the largest sea now I'm without you - oo
h - ooh
Oh...
I'm without you - ooh - ooh

So stand in silence
Hold me tight
Stand in silence
Tonight

And now I have to know
Just before
I go-oh-oh...
Oh-oo-oo, baby...
And will you still think of me over the largest sea now I'm without you - oo
h - ooh
Oh Oh Ohhh...
I'm without you - ooh - ooh
