

# Alone in the Universe

David Usher

Jamie's on the bathroom floor she don't know why  
She's shaking underneath the sink can't feel a thing  
She'd love to live a life she's afraid of failure  
With all the voices in her head  
Now what was that I thought I hear you scream

I know you can feel it  
You're already there  
Asleep underwater  
Just screaming for air  
I know you can feel it  
You're already...  
Don't you know we're freaks and creature  
Wake up I can almost see the light

I think we're alone here you and I  
I think we're alone left wondering why  
I think we're alone here you and I  
I think we're alone in the universe tonight

Alex on the last train home from god knows where  
A million miles away from where he thought he'd be  
He's got his suit his tie his drink his MTV  
He's trading all his life away  
You can't escape we're all infected now

I know you can feel it  
You're already there  
Asleep underwater  
Just screaming for air  
I know you can feel it  
You're already...  
Don't you know we're freaks and creatures  
Wake up I can almost see the light

I think we're alone here you and I  
I think we're alone in the universe tonight

We're all infected now  
I know you can feel it  
You're already there  
Asleep underwater  
Just screaming for air  
I know you can feel it  
You're already...  
Don't you know we're freaks and creatures  
Wake up I can almost see the light

I think we're alone here you and I  
I think we're alone left wondering why  
I think we're alone here you and I  
I think we're alone in the universe tonight

I think we're alone in the universe tonight  
I think we're alone in the universe tonight
